#### RI President's Message

Dear Fellow Rotarians.

Rotary is an amazing organization full of people who want to reduce suffering in this world through fellowship and service. Rotary Shares the things that should be shared with humanity: kindness, time and resources. We must share Rotary if we want it to survive. Without new members, Rotary will disappear in only a few decades; and without Rotary, so many needs in our communities will go unmet. This is why I am asking everyone who loves Rotary to share that love and commitment by inviting other qualified men and women to join a Rotary club. This is the single most important thing you can do to ensure Rotary's second century of service.
